

Corporate Sponsorship Opportunities

At the Virginia Dental Association Foundation (VDAF), we are passionate about dental care and oral health because they profoundly affect the well-being of individuals and communities. But, financial realities leave many people with no hope of securing care. That is why our Foundation exists — to help people get the dental services they need. The VDAF leverages the expertise and goodwill of dentists and other community members to improve the quality of life of adults and children by providing free dental care. An annual sponsorship is an easy way to provide immediate support for our programs – **Mission of Mercy (MOM)**, **Donated Dental Services (DDS)**, and **Give Kids a Smile**.
